

New TDP User-Friendly Online Enrollment Process

During the month of November, 2009, TDP Online Enrollment will take on a new look and provide easier navigation during the enrollment process.

The biggest enhancements include:

- Personalized Terms & Conditions and enrollment-change options
- Real-time verification of the sponsor's enrollment status
- The ability to upload Power of Attorney documents to enroll on-line
- New payment option enabling the sponsor to make initial payments online using a personal check via an ACH transfer
- Interactive user-friendly screens
- Improved on-line help tools

The benefits of this new enrollment process are:

- Validation of current enrollment
- Checks for enrollment lock-outs
- Enables power-of-attorney (POA) enrollees to enroll on-line
- Allows spouses to update addresses

With these new enhancements, enrolling online will be easier for all TDP sponsors and POA enrollees.
