

Dentists and Enrollees Can Go Green!

TDP enrollees can help the environment and themselves by signing up to receive paperless Dental Explanation of Benefits (DEOBs) from United Concordia. If all enrollees received electronic DEOBs each year, the environmental impact would equate to saving 64 tons of wood or 445 trees, conserving enough energy to power 6 homes for a year and reducing wastewater by 382,164 gallons.¹ Enrollees will receive an email notification when their DEOB is ready - they can view it at their leisure through *My Dental Benefits* on the TDP Web site.

To register to go green, enrollees can:

- Click the Go Paperless button on the [TDP home page](#):

Dentists can also go green by submitting claims electronically through www.unitedconcordia.com. Should dentists have any questions about United Concordia's electronic programs, they can contact United Concordia Dental Electronic Services at (800) 633-5430 Monday through Friday 8:00 a.m. to 5:00 p.m. ET.
