United Concordia Supports Operation Homefront's Freedom Walks

United Concordia is proud to sponsor Operation Homefront and support their mission of organizing 20 memorial Freedom Walks across the country to commemorate Sept. 11. The walks are at the request of and part of the larger network of Freedom Walks organized by America Supports You, a program of the Department of Defense.

The walks are a new national tradition to reflect on the lives lost on September 11, renew patriotism and honor veterans. The first America Supports You Freedom Walk was held on September 11, 2005, in Washington, D.C. It brought together more than 15,000 walkers -- including family members of the victims of September 11, members of Congress, administration officials, federal workers, corporate employees, civic organizations and citizens from across the country.

“United Concordia is dedicated to serving the country’s armed forces and is proud to sponsor an event that honors not only our military, but civilians who gave their lives to ensure our freedom,” says Sharon Duke, director of TDP Marketing and Outreach. “This event is special in that it gives participants an opportunity to think about freedom as we know it and honor those who put their lives on the line to protect it.”

United Concordia’s sponsorship has assisted Operation Homefront in organizing a walk in San Antonio, Texas. For more information on the walks and other Operation Homefront programs for troops and wounded warriors, visit www.operationhomefront.net
